

R\_matprod

```
graph LR; R_matprod --> C_matprod; R_matprod --> ncol; R_matprod --> nrow;
```

A diagram illustrating the relationship between variables. A black box labeled 'R\_matprod' on the left has three blue arrows pointing to three white boxes on the right: 'C\_matprod' (top), 'ncol' (middle), and 'nrow' (bottom).

C\_matprod
